EDUCATION

BFA, DIGITAL MEDIA ART
San Jose State University

UX DESIGN CERT.
UC San Diego Extension

SKILLS

- ✦ UX Design, Strategy & Research
- ✦ Affinity Mapping & Synthesis
- ✦ Wireframes & Prototypes
- ✦ Workshop Facilitation
- ✦ HTML & CSS
- ✦ Agile / Scrum
- ✦ AI-Driven Workflow
- ✦ Public Speaking
- ✦ Cross-Functional Collaboration
- ✦ Creative Problem Solving
- ✦ Attention to Detail
- ✦ Time Management
- ✦ Stakeholder Alignment

DESIGN TOOLS

UX & DESIGN

- ✦ Figma
- ✦ Miro
- ✦ Mural
- ✦ Adobe Photoshop
- ✦ Adobe Illustrator
- ✦ Adobe Premier

COLLABORATION

- ✦ Google Workspace
- ✦ Jira

OPERATING SYSTEMS

- ✦ Mac OS
- ✦ Windows OS

PROFILE

Driven, thoughtful, and creative User Experience Strategist and Designer focused on creating intuitive, impactful digital experiences. I recently served as a UX Strategist at Booz Allen Hamilton, leading and supporting human-centered design work across research, prototyping, and strategic planning initiatives. I bring strong skills in collaboration, creative problem solving, and translating user needs into clear, usable solutions. I'm excited to continue growing my career in environments where empathy, creativity, and innovation drive meaningful user experiences.

EXPERIENCE

UX STRATEGIST & DESIGNER

Booz Allen Hamilton | 2023 – 2025

- ✦ Co-led UX research, stakeholder workshops, and synthesis across multiple federal digital initiatives to improve public health data usability.
- ✦ Designed interactive wireframes and prototypes for high-impact government platforms, balancing accessibility, clarity, and stakeholder expectations.
- ✦ Co-created a reusable component library and contributed to design system enhancements to streamline future design workflows.
- ✦ Conducted foundational HCD research, including 50+ user interviews, and translated findings into 20 insights and actionable recommendations.
- ✦ Provided guidance to junior team members and supported cross-team alignment through design reviews and collaborative workshops.

RECOGNITION

Passionate Service Award | Booz Allen Hamilton, 2024

- ✦ Recognized for exceptional visual design and strategic collaboration on a high-impact federal public health data initiative.

UX DESIGNER

County of Santa Clara | 2019 – 2022

- ✦ Meet and collaborate with team members and stakeholders to identify the specs, the target audience, and determine the project scope
- ✦ Strategize, plan out, and carry out the UX research process for each project
- ✦ Validate the design and content and find solutions to end user pain points by collecting qualitative and quantitative User Experience data, conducting user testing, and analyzing user feedback/activity
- ✦ Create UI visuals such as wireframes and prototypes for current standard screen sizes to show UX flows and interactions
